Dear Premier Moe,

RE: Re-Open Saskatchewan

On behalf of the Greater Saskatoon Chamber of Commerce I would like to thank the Provincial Government for your ongoing leadership and dedication to keeping our province safe amidst the COVID-19 crisis. It is due to the impressive actions taken by Saskatchewan's front-line workers along with the compliance measures outlined by your government and adhered to by the general public that it is now time to cautiously proceed through the re-opening process of Saskatchewan's economy.

The Chamber applauds the Re-Open Saskatchewan Plan for its methodical phased approach that will provide clear parameters to businesses, so that the roadmap to follow is well defined, something that our business community needs. We would still like to impress upon the government the importance of continuing your clear and consistent messaging at this time, to ensure that if we are diligent and follow these precautions, we will not see a resurgence of this virus.

Thank you again for your leadership during this unprecedented time.

Sincerely,

Chris Sicotte
Board Chair
