## 2023 SABEX Award Winners Announced

**SASKATOON, SK – October 13, 2023** – A stellar group of winners was announced last evening at the 2023 SABEX Awards held at TCU Place. SABEX is Saskatoon's premier business awards program that honours Saskatoon businesses and non-profit organizations that exemplify high performance, excellence and achievement.

The program also featured the induction of Saskatoon Business College into Saskatoon's Business Hall of Fame, sponsored by McKercher LLP. In June 1907, Saskatoon Business College (SBC) was founded by Mr. E. A. Marshall, one of Saskatoon's leading businessmen and builders at the time. The Chapman Family acquired SBC in 1951, growing an enterprise that has continued to thrive for over 100 years. For decades, SBC has been training students for better jobs and brighter futures. It has been a gateway for thousands of graduates to enter the workforce, gain meaningful employment and launch successful and productive careers. By extension, hundreds of Saskatoon and Saskatchewan businesses owe their success to SBC's graduates who have helped them serve their customers, meet new challenges, and grow over the years.

"This year's finalists and winners embody the can-do, enterprising spirit of our city," said Jason Aebig, Saskatoon Chamber CEO. "Each one has made major contributions to the economy and quality of life of Saskatoon and we're so proud to shine a spotlight on their success."
