

A unique partnership between NEESH Dental and Saskatoon Chamber of Commerce members—because your health extends beyond the workplace.

Your healthy smile is the signature of your personality.

As a valued Saskatoon Chamber of Commerce member, we're excited to offer you an exclusive dental benefits package designed to keep your smile as vibrant as your professional life. At NEESH Dental, we believe that everyone deserves top-quality dental care, and with your Chamber membership, achieving a brighter, healthier smile has never been more accessible.

Exclusive Benefits for Saskatoon Chamber Members

Get Started with a Sparkling Smile: Kick off your journey to optimal oral health with a **FREE ZOOM™ Whitening session** (valued at \$500) when you book your initial check-up, radiographs, and hygiene appointment. It's not just a treatment; it's a transformation—giving you a noticeably whiter smile (up to 8 shades) in just one visit. (Please note: if you have existing decay or infections, whitening will be postponed until after treatment).

Everyday Care Benefits:

We understand the importance of regular dental care, which is why we offer **an exclusive 15% discount on all basic treatments** for Chamber members. This includes cleanings, periotherapy treatments, fillings, extractions, and root canals.

OUR QUALITY SHOWS IN EVERY SMILE

Major Treatment? We've got you covered.

Your Chamber membership also extends to **10% off major treatments**, including crowns, bridges, and implants.

The best that modern dentistry has to offer - EXCLUSIVE TO YOU

Orthodontics using clear aligner technology (such as Invisalign) is the best comprehensive solution for most people. Take charge of the best version of your natural smile with our exclusive offer: **Clear aligner orthodontics at \$4500.**

How to Claim Your Benefits:

Simply present your Saskatoon Chamber of Commerce membership at your next NEESH Dental appointment to unlock these exclusive offers.

At NEESH Dental, we're committed to providing exceptional care tailored to every patient.

We look forward to serving you.
